NEW TO THIS EDITION:
• A chapter on the EU’s policy-making process
• Updated chapters on democracy and security written by new authors
• All chapters have been revised in light of the ratification of the Lisbon Treaty and the effects of the financial crisis in the Eurozone

In The European Union: How Does it Work? leading scholars and practitioners cut through the complexity to explain how the EU really works and why it matters. Covering all of the main actors, policies, and developments in an accessible and engaging way, there is no better guide to the European Union for those coming to the subject for the first time.

THE NEW EUROPEAN UNION SERIES
Series Editors: John Peterson and Helen Wallace

‘This book - now in its third edition - is a concise, yet comprehensive and clear, introduction to the European Union. Its editorial team and its authors are a mix of both academics and practitioners; able not just to master the theories, but also able to show how things work in practice.’
Herman Van Rompuy, President of the European Council

‘Nowhere are students in introductory courses likely to find a clearer or more balanced treatment of the broad institutional design and policy trends of the most successful experiment in peaceful international cooperation in world history’.
Andrew Moravcsik, Princeton University

Elizabeth Bomberg is Senior Lecturer in Politics and International Relations and member of the Europa Institute at the University of Edinburgh

John Peterson is Professor of International Politics and member of the Europa Institute at the University of Edinburgh

Richard Corbett served as a Member of the European Parliament from 1996 to 2009. He is currently the advisor on institutional issues to the President of the European Council
